| Custodial history: | The collection was created in Special Collections in 2015. All of the WEW radio materials were combined to create one discrete collection. |
| Language: | English |
| Processed by: | Sarah Cain, June 2015 |
| Conservation notes: | All items placed into acid-free folders and envelopes within archival boxes. Metal fasteners have been removed. |
| Scope and Content: | <p>The collection contains show scripts, publications, and ephemera of WEW Radio.</p> <p>WEW received its broadcast license on March 23, 1922. The station was owned by and operated out of St. Louis University, who claims the station had actually began broadcasting seismological and weather information in Morse code in 1912 under call letters 9YK. Thus, making WEW the oldest broadcast station west of the Mississippi River.</p> |
| Arrangement: | Alphabetical |
